Additional Comments and Maintenance Concerns: _____

Proper operation and maintenance are the sole responsibility of the property owner, and a vital part of ensuring the effectiveness of your detention pond. If you fail to complete the above maintenance in a timely manner, please be advised that the City of Dallas reserves the right to complete the maintenance, and assess the owner for any costs or damages incurred. You will be notified if the City chooses to pursue this action.

Please inform this office of the date when work is completed, and if you should have any questions or comments concerning these items or future maintenance issues, please feel free to contact Kendall Smith, City of Dallas Public Works Director at 770-231-1889.
